

Kansas Interscholastic Cycling launching Spring 2021!

We facilitate the development of high school and middle school teams/clubs for grades 6-12 and provide the education, training, licensing, and insurance for coaches and volunteers. We also produce high-quality mountain bike events and races that emphasize the value of participation, camaraderie, positive sporting behavior, and well-being over competition.

More kids on bikes is good for everyone, especially kids!

In 2018, the ownership of Gravel City Adventure & Supply provided initial funds to register the state of Kansas membership with NICA (National Interscholastic Cycling Association). This donation enabled Kansas to become the 31st state league in the NICA Organization. Through the generosity of the founding sponsor Sunflower Outdoor and Bike there is an opportunity to guarantee success for kids in the Kansas league.

\$100,000 has been made available to the state league if that money can be matched.

We have 30 days. We need you! We need you NOW. Every dollar you are able to contribute will be matched dollar for dollar. To join us please donate at www.kansasmtb.org. Let's get more kids on bikes.

The National Interscholastic Cycling Association (NICA)'s mission is to build strong minds, bodies, character, and communities through cycling. Founded in 2009 as a 501(c)3 nonprofit, NICA develops interscholastic and community-based cycling programs for student-athletes and coaches across the United States. NICA provides leadership services and governance for local leagues to produce quality mountain bike events. NICA has served more than 55,000 student-athletes since 2009. Currently, NICA has 31 state and regional leagues and over 11,000 registered volunteer coaches who are working annually with over 22,500 student-athletes from nearly 1,000 high schools and middle schools in the USA. NICA exists by virtue of generous sponsors, donors, and partners.
